

# HOST YOUR OWN **BIG BARRY LOSER BASH**

Hi Loserfans!

**Barry Loser is 10!**

It's been 10 years since the first **Barry Loser** adventure was published and now there's a brand-new series of full colour graphic novels coming, starting with **Barry Loser: Total Winner**.

We think that's a good enough reason for a **keel** celebration of **Barry** and his loser friends, so this pack contains everything you need to throw your own **Big Barry Loser Bash**!

## About The Book

The bestselling, award-winning **Barry Loser** series is ten years old and **Barry, Bunky, Nancy** and the gang are off on a series of new adventures - in full colour graphic novel format and with 'how to draw' sections to help you make your own comic books!

In the first book, Barry has had enough of being a loser and wants to prove he's a Total Winner, but when his parents ban him from gaming he has to think outside of the box . . . Barry also has a new cat called **French Fries** - the keelest cat ever, **amen**.
